4 | Roles and Responsibilities

4.1 Chiltern Learning Trust

4.1.1 The Trust will continue to recognise the importance of attendance and ensure it is always discussed with school leaders, including evaluating school processes to ensure they meet the needs of pupils.

4.1.2 The Trust is responsible for offering a template attendance policy and ensure all schools have an up to date attendance policy.

4.1.3 The Trust will discuss and hold the Headteacher to account for all school wide elements outlined in this document.

4.1.4. The Trust will continue to ensure school leaders fulfil expectations and statutory duties.

4.1.5 The Trust will review attendance data and trends at Trust level, offering CPD to relevant leaders focusing on particular cohorts and sub groups.

4.1.6 The Trust will monitor attendance patterns, identify common issues/barriers and share effective practice on attendance management and improvement across schools.

4.1.7 The Trust will support schools in the development of comprehensive action plans, for review, where attendance data is not adequate or improving.

4.2 The Local Governing Body

4.2.1 The LGB is responsible for approving local adaptations to the CLT template policy and monitoring its implementation and effectiveness.

4.2.2 The LGB is responsible for monitoring attendance figures for the whole school at least 6 times a year. It also holds the Headteacher to account for the implementation of the attendance policy.

4.3 The Headteacher: Claire Probert

4.3.1 The Headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to the LGB.

4.3.2 The Headteacher also supports other staff in monitoring the attendance of individual pupils and requests penalty notices, where necessary.

4.4 Senior Attendance Champion: Michelle Stewart

4.4.1 Having a deep and clear understanding of attendance by group, such as gender, pupils entitled to Free School Meals, Pupil Premium pupils, pupils with SEND, Children in Care and attendance by Ethnicity and Language (English/EAL). Also rewarding and acting to improve the attendance of pupils that may fall into smaller groups, or the attendance of individual pupils with protected characteristics, such as pupils who do not identify with their gender assigned at birth, pupils who are gay or bisexual, pregnant pupils and pupils who are young parents.

4.4.2 Ensuring staff are clear about their roles and responsibilities in relation to attendance and have the required knowledge and skills to fulfil them.

4.4.3 Regularly reviewing the school's attendance procedures – strengths and weaknesses, including seeking feedback from the attendance team; highlighting key issues with the Headteacher. Setting a clear vision for improving and maintaining attendance.

4.5 Attendance Team

4.5.1 The Attendance Team consists of the Headteacher, Designated Safeguarding Lead, and the Office Manager. They will meet as a team at least fortnightly to monitor and review attendance across the school – for individual pupils, vulnerable groups and the whole school. During their meetings, the Attendance Team will identify pupils whose attendance is a cause for concern and put attendance interventions in place as necessary. Depending on the level of concern, the Attendance Team will involve class teachers and other relevant staff and coordinate meetings with parents/ carers. Where considered necessary a formal action plan will be produced.

4.6 Attendance Officer: Michelle Stewart

4.6.1 The Attendance Officer:

- Monitors attendance data at the school and individual pupil level.
- Reports concerns about attendance to the Headteacher and Designated Safeguarding Lead (DSL) as appropriate.
- Arranges calls and meetings with parents/carers to discuss attendance issues.
- Coordinates requests for Term-time Leave of Absence, liaising with the Headteacher as necessary. (This also includes liaison with the DSL and Safeguarding Team.)
- Makes Children Missing Education referrals to the Local Authority where appropriate (this includes liaison with the DSL and Safeguarding Team).

4.7 Attendance Administrator: Katie Doherty

4.7.1 The Attendance Administrator is responsible for ensuring that the daily registers are completed accurately and on time, recording the reasons for absences and reporting any concerns or patterns of absence to the Attendance Team.

4.8 Office Staff

4.8.1 The office staff are responsible for ensuring that the daily registers are completed accurately and on time, recording the reason for absences and reporting any concerns or patterns of absence to the attendance team.

4.8.2 School office staff are expected to take calls from parents/carers about absence and record the information on the school information management system.

4.8.3 The school staff carry out and record the outcome of first day calls, when a child does not arrive at school where no reason has been given.

4.8.4 The office staff will chase up any unexplained absences and record on the registers.

4.9 Welfare Team (Including Designated Safeguarding Lead (DSL), Special Educational Needs Coordinator (SENCO), Family Support Worker (FSW))

4.9.1 Providing safeguarding support and advice to attendance colleagues as appropriate, including in response to term-time leave requests and CME cases; taking safeguarding action where necessary.

4.9.2 Meeting with the School Attendance Officer/Team to review the attendance of the pupils on the school's Vulnerable List/ SEND register and agreeing any action needed.

4.9.3 The DSL will be the point of contact for parents/carer who have their own concerns about their child's attendance and will meet with parents/carers as and when necessary, share attendance concerns and draw up attendance plans or contracts as necessary. The DSL will also liaise with external agencies and make referrals as required.

4.10 Class Teachers

4.10.1 Class teachers are responsible for recording their pupils' attendance on a daily basis, using the correct codes, and submitting this information to the school office.

4.10.2 Where there are attendance concerns, either raised by the class teachers themselves or by the Attendance Team, they will 'check-in' with the pupil to find out about any reasons for absence as part of their responsibilities under the school's Safeguarding Policy.

4.10.3 Class teachers may also be asked to meet with parents/carers whose child has a falling level of attendance and is flagged as a concern by the Attendance Team.

5 | Data Protection Implications

5.1 The personal information the school uses to help manage attendance and absence is governed by the UK GDPR and Data Protection Act 2018. Much of this information will be sensitive, to both pupils and their parents/ carers, and staff must take care to apply appropriate safeguards to ensure personal information is processed fairly and lawfully, is the minimum amount necessary to achieve our aims, is accurate, and where necessary, kept up to date, is not held for longer than is necessary and remains safe and secure.

5.2 Staff must record personal information accurately, being clear whether something is an opinion, reported by someone else, or fact. It is also important to remember that pupils and parents/carers can ask to see copies of the personal information the school holds about them.

5.3 Staff should share relevant information and work collaboratively with other schools, local authorities and external partners to target support at persistently absent (below 90%) and severely absent (below 50%) pupils (including those at risk of becoming persistent or severe). Schools should also inform a pupil's social worker and/or youth offending team worker if there are unexplained absences from school.

6 | Aims

6.1 The school aims to meet its obligations with regard to school attendance by promoting good attendance; ensuring every pupil has access to the full-time education to which they are entitled; and acting early to address patterns of absence.

6.2 This policy sets out the school's position on attendance and details the procedures that all parents / carers must follow to report their child absent from the school.

6.3 It is vital that children develop regular attendance habits at an early age. Therefore, the school will encourage parents/carers of Nursery children, and Reception children who are not yet compulsory school age, to send their children to every session that is available to them. If the child is unable to attend the school for any reason, the parent/carer should inform the school of the reason on the first day of absence. If the school is concerned about a pupil's attendance for any reason, the school will contact the parent/carer to discuss the matter, in the first instance.

6.4 The school will also support parents/carers to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

6.5 Pupils should attend the school every day, unless they are really not well enough to. Children who attend regularly are more likely to feel settled in school, maintain friendships, keep up with their learning and gain the greatest benefit from their education. The school wants all pupils to enjoy school, grow up to become emotionally resilient, confident and competent adults who are able to realise their full potential. Regular attendance and punctuality are essential in the workplace and children who are used to attending school on time, and on every occasion, unless they are too unwell to attend, will be better prepared for the attendance expectations in the workplace.

6.6 In April 2017 the Supreme Court clarified the definition of regular attendance to be attendance "in accordance with the rules prescribed by the school", therefore if an absence is not authorised by the school, the pupil's attendance is deemed to be irregular.

6.7 The school will do all it can to encourage pupils to attend. The school will make the best provision it can for any pupil who needs additional support in school or who is prevented from attending school, due to physical or mental health needs or disability. The school recognises that for disabled pupils, 'reasonable adjustments' may be needed to the school environment or to policies to support good attendance. Please see DfE guidance documents **'Supporting pupils at school with medical conditions - December 2015'** and **'Arranging education for children who cannot attend school because of health needs - Dec 2023'** or ask the school for printed copies.

6.8 One of the most important factors in promoting good attendance is the development of positive attitudes towards school. To this end, the school strives to provide a happy and rewarding experience for all children, and to foster positive and mutually respectful relationships with parents/carers.

6.9 By promoting good attendance and punctuality the school aims to:

- Make good attendance and punctuality a priority for all those involved in the school community
- Raise pupils' awareness of the importance of good attendance and punctuality
- Provide support, advice and guidance to parents/carers, pupils and staff
- Work in partnership with parents/carers and, where appropriate, the wider family

7 | Effects of non-attendance

7.1 Any absence affects the pattern of a child's schooling and regular absence may seriously affect their learning. The Department for Education (DfE) defines a pupil as a 'persistent absentee' when they miss 10% or more schooling across the school year, for whatever reason. Furthermore the DFE defines a pupil as a 'severe absentee' when they miss 50% or more schooling across the school year, for whatever reason.

7.2 The table below indicates how what might seem like just a few days of absence can result in children missing a significant number of lessons.

Attendance during school year	Days lost in a year	Which is approximately	Approximate number of lessons missed

95%	9.5 days	2 weeks	60 lessons
90%	19 days	4 weeks	120 lessons
50%	95 days	20 weeks	600 lessons

8 | Safeguarding and Attendance

8.1 The school will monitor trends and patterns of absence for all pupils as a part of its standard procedures. However, it is recognised that sudden or gradual changes in a pupil's attendance may indicate additional or more extreme safeguarding issues. In line with government guidance **Keeping Children Safe in Education**, Local Procedures and the School's Safeguarding Policy, staff will investigate and report any suspected safeguarding cases on to the relevant authorities. As part of the school's safeguarding duty and standard procedures, staff will inform the Local Authority and/or the Police of the details of any pupil who is absent from school when they cannot establish their whereabouts and are concerned for the pupil's welfare.

8.2 If a pupil is not attending as required, where the school deems it appropriate, staff may make home visits to see and speak to the pupil and parents/carers as part of the school's safeguarding and attendance processes. If staff are unable to see and speak to the pupil and parents/carers, they may contact the pupil's emergency contacts and/or other professionals or contacts of the family, who they reasonably expect may be able to provide the school with relevant information. Where relevant, appropriate staff will therefore contact a pupil's social worker and/or members of the youth offending team if there are unexplained absences from school.

Contents of Attendance Register

The law states that schools must take the attendance register at the start of the first session of each school day and once during the second session. On each occasion the school must record whether each pupil is:

• Present;

• Absent;

• Attending an approved educational activity; or

• Unable to attend due to exceptional circumstances.

9 | Present at School (and Lateness)

9.1 Pupils are marked present if they are in the school when the register is taken. If a pupil leaves the school premises after registration, they are still counted as present for statistical purposes.

9.2 It is the duty of parents/carers to ensure that children attend school on time. This encourages habits of good timekeeping and lessens any possible classroom disruption. However, it is also recognised that pupils are sometimes late due to reasons such as caring for parents/carers or siblings, or transport difficulties.

9.3 If a pupil starts arriving late to the school on a regular basis, the school will work with the pupil and family to find out why the pupil is late and whether any support is needed for the pupil or family, in order to support the pupil to attend on time.

9.4 The Attendance Officer will meet with parents/carers of pupils who are frequently late, to further investigate reasons for lateness and discuss solutions to enable more punctual attendance.

9.5 Morning registration

• Our pupils must arrive by 9:00 am on each school day.

• Pupils arriving after 9:00am will be marked as late (L) – which still counts as present. See DfE Attendance Codes – Appendix One.

• If a pupil arrives after the close of registration (after 9:15 am), they will be marked with the unauthorised absence code 'Late after registers close' (U) for the morning session. (See 'Unauthorised Absence' section for more information on unauthorised absences.) If a pupil arrives late after the registers close due to a valid reason, such as an unavoidable medical appointment, their absence will be marked with the appropriate authorised absence code.

9.6 Afternoon registration

• The afternoon register is taken at 1:15 pm and will be kept open until 1:30 pm.

• If a pupil has been out of school during the morning and/or lunchtime session and arrives at school after 1:15 pm but before 1:30 pm they will be marked (L) – which counts as present.

• If a pupil arrives after 1:30 pm they will be marked with the unauthorised absence code 'Late after registers close' (U) for the afternoon session. If a pupil arrives late after the afternoon registers close due to a valid reason, such as an unavoidable medical appointment, their absence will be marked with the appropriate authorised absence code.

10 | Effects of Late Arrival

10.1 When a pupil arrives late to the school, they miss important events like assembly, teacher instructions and introductions; this can seriously disadvantage pupils. The table below indicates how frequent lateness can add up to a considerable amount of learning being lost.

Minutes late per day	Equates to days of teaching lost in one year	Which means this number of lessons missed
5 mins	**3 days**	**15 lessons**
10 mins	**6 days**	**30 lessons**
15 mins	**9 days**	**45 lessons**

11 | Authorised Absence

11.1 '**Authorised absence'** means that the school has either given approval in advance for a pupil of compulsory school age to be away from the school or has accepted an explanation offered afterwards as justification for absence. The following information outlines the main circumstances where absence may be authorised by the school.

11.2 Illness

• In most cases, absences for illness which are reported by following the school's absence reporting procedures will be authorised. That is unless the school has a genuine concern about the authenticity of the illness.

• The school follows the **Working together to improve school attendance**, which states that if the authenticity of the illness is in doubt, the school may ask the parent/carer to provide medical evidence, such as a prescription, appointment card, or other appropriate form of evidence. The school will not ask for medical evidence unnecessarily. In some instances, the school may ask the parent/carer to obtain a letter from a

GP, or seek parental permission to contact the pupil's GP directly.

- If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised.
- Where a pupil has a high level and/or frequency of absence, the school may require suitable evidence in order to authorise any future absence where illness has been given as the reason. If this is the case, the school will make the parent/carer(s) aware of this expectation in advance.
- The reporting of absence due to illness remains the responsibility of the parent/carer. Absences due to illness which have not been reported to the school by the parent/carer on the first and any subsequent days of absence may not be authorised.

11.3 Pupils taken ill during the school day

If a pupil needs to be sent home due to illness, this should be by agreement with an appropriately authorised member of school staff. In such circumstances, the pupil must be collected from the school office by a parent/carer or another authorised adult (unless otherwise agreed between the school and the parent/carer) and signed out in the 'signing out' book. No pupil will be allowed to leave the school site without parent/carer confirmation.

11.4 Medical/Dental Appointments

- Parents/carers should try to make appointments outside of school hours wherever possible. Where appointments during the school day are unavoidable, the pupil should only be absent for the minimum amount of time necessary for the appointment. It is not acceptable for a pupil to miss a whole day for an appointment, unless absolutely necessary, in which case the school will need an explanation as to why this is. The school recognises that pupils with a health condition may have a higher number of medical appointments than other pupils and it is therefore possible that at least some of these appointments may be during the school day.
- If a pupil must attend a medical appointment during the school day, they must be collected from the school office by the parent/carer or another authorised adult and signed out in the 'signing out iPad'. No pupil will be allowed to leave the school site without parent/carer confirmation.
- Advance notice is required for medical or dental appointments, unless it is an emergency appointment. Parents/carers should also provide the school with sight of, or a copy of, the appointment card or letter.

11.5 Religious Observance

- The school acknowledges the multi-faith nature of the school community and recognises that religious festivals sometimes fall outside of school holidays or weekends.
- In accordance with the law, the school will authorise one day's absence for a day exclusively set apart for religious observance by the religious body to which the parent/carer belongs – this will be marked with the **R** code. In line with **Working together to improve school attendance**, if necessary, the school will seek advice from the parent/carer's religious body, about whether it has set the day apart for religious observance.
- Parents/carers should notify the school in advance that their child will be absent for religious observance, so that the school knows whether to expect the pupil into school or not.
- If a parent/carer would like their child to be absent for an additional day around a religious observance, they should contact the school. The school will consider each application individually taking into account the specific facts and circumstances and relevant background context behind the request. If additional absence is authorised, this would be marked with the **C** code.
- The school will ensure a pupil is not penalised for absence due to days of Religious Observance, for example if using attendance rewards.

11.6 Traveller Absence

- The Education Act 1996 includes specific reference to the school attendance of children "of no fixed abode". This law applies when a child is unable to attend school because they are travelling with their parent/carer "who is engaged in a trade or business of such a nature as to require [the parent/carer] to travel from place to place". This is subject to certain limits, depending on the child's age and number of sessions absent.
- **Working together to improve school attendance** explains that a number of different groups are covered by the generic term Traveller – Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers.
- The school will discuss requests for absence individually with parents/carers as necessary. Parents/carers should let the school know of their plans as far in advance as possible.
- To help ensure continuity of education for children from the above groups, wherever possible the child should attend school elsewhere when their family is travelling for occupational purposes. In which case, the child will be dual registered at the school they are attending and at this school, which is their 'main school'.
- The **T** code, which is an authorised absence, should be used for pupils when Traveller families are known to be travelling for occupational purposes and have agreed this with the school but it is not known whether the pupil is attending another educational provision.
- Children from these groups whose families do not travel for occupational purposes are subject to the same rules as other children in terms of the requirement to attend school regularly.

11.7 Exclusions

- If the school decides to send a pupil home due to their behaviour, this will be recorded as an Exclusion. The school will follow the **DfE's Suspension and permanent exclusion guidance**.
- Any exclusion must be agreed by the Headteacher.
- The school will notify the parents/carers of the exclusion. If the pupil is a Child in Care, the school will notify the pupil's carer, social worker and the Local Authority's Virtual School. In other instances, where a pupil is open to Children's Social Care for any reason, the school will also inform the pupil's allocated social worker.
- The pupil must be collected from the school office by the parent/carer or another authorised adult and signed out in the 'signing out' iPad. No pupil will be allowed to leave the school site without parent/ carer confirmation.

12 | Absence Reporting and Response

12.1 First Day of Absence Reporting

- Parents/carers are expected to notify the school of the reason for their child's absence on each day of absence.
- If a pupil is absent due to illness which lasts more than one day, the parent/carer should contact the school each day to provide an update, unless otherwise agreed by the school.
- If a pupil is absent due to illness or any other reason, parents/carers should notify the school of the absence as early as possible. This should be before 9:00 am on the day of absence and include the specific reason ('unwell' is not sufficient).
- Parents/carers should notify the school through the MCAS app to alert the school of a child's absence.
- If parents/carers are unable to access or use the MCAS app, they can notify the school by phone using the school telephone number of 01582 667956.
- The school may contact parents/carers to discuss a pupil's absence in more detail.
- In some cases, the school may require parents/carers to report absence in a different way – if this is the case, the school will contact parents/carers to explain this requirement.
- On the pupil's return to the school, a note should be provided by the parent/carer, confirming the reason for their child's absence.

12.2 First Day of Absence Response

If a pupil is absent without an explanation being received, we will send an SMS text message, or MCAS alert, on the morning of absence and a follow up phone call if there is no answer.

If parents/carers cannot be contacted by phone, the school will phone the pupil's emergency contacts, in priority order. Priority will be given where there is additional support in place, or where pupils are considered more vulnerable e.g. children in care, children on Child In Need, or Child Protection plans; children who have previously been reported missing; and children where there are, or have been, concerns regarding attendance. We also carry out home visits should we not hear from parents/carers on the second consecutive day of absence.

A list is kept in the school office of pupils who walk to the school on their own and if they don't arrive, and the school has not been notified of the reason for absence, parents/carers are contacted as a priority. Parents/carers who wish to add their child to this list should speak to staff in the school office.

If the school is unable to establish why the pupil is absent and/or is concerned for the welfare of the pupil, staff may request a Welfare Check from the police.

12.3 Pre-agreed absence

Parents/carers are not required to contact the school on the day of an absence if the parent/carer has already formally notified the school prior to the day of absence and the absence has been agreed in advance. For example, a planned hospital appointment or an exceptional term time leave of absence which has already been agreed by the Headteacher in writing.

12.4 Emergency Contacts

DfE guidance stipulates that 'where reasonably practicable, schools should hold an emergency contact for more than one person for each pupil' (*Working together to improve attendance*, August 2024)

Parents/carers will be asked to supply details of at least three other adults who can be contacted in an emergency. It is the responsibility of parents/carers to keep these contact details up to date by communicating with the school office. The school will also remind parents/carers about this through information checks.

13 | Following up Unexplained Absences

13.1 The school will follow up any absences where the parent/carer has not made contact to explain the reason. Following up on unexplained absences can take up a considerable amount of school resources, therefore, the school expects parents/carers to report all absences. If a parent/carer does not contact the school on the morning of each absence, the absence may not be authorised, unless the school is satisfied there is a good reason why the pupil is unable to attend and why the parent/carer was not able to contact the school by the required time on the day of absence.

13.2 When the school establishes the reason for the absence, it will be marked as authorised or unauthorised depending on the reason. If the school is unable to establish the reason for absence, having followed the school's attendance procedures, the absence will be marked as unauthorised, using the **O** code.

13.3 If a pupil is not attending and the school is unable to establish the reason why and/or confirm the pupil's whereabouts, the school will take appropriate action which will depend on the circumstances of each case. This could include, but is not limited to: contacting the pupil's emergency contacts, or other contacts of the family who the school reasonably expect may be able to advise of the pupil's whereabouts; contacting other professionals; contacting siblings' schools; home visits to the family address; making enquiries with neighbours; requesting a Welfare Check from the police; and making referrals to Children's Social Care.

14 | Rewarding Good and Improved Attendance

14.1 The school recognises that rewarding good and improved attendance should be carefully considered in order to ensure it does not make pupils who have poor attendance feel marginalised, worried or guilty about their low attendance rate; its impact on the pupil's own learning or the learning or rewards for the class as a whole.

14.2 The school will regularly review any reward systems to ensure they are not negatively impacting on individual pupils or groups of pupils.

14.3 To ensure good attendance and punctuality (above 97%) is regularly promoted and supported and remains high profile across school.

The school will achieve high levels of attendance and punctuality (above 97%) through rewarding good attendance and punctuality. Weekly Celebration Assemblies are held every Friday and other initiatives include raffles with a prize for a gift voucher for pupils who have achieved 97% within the half term. Classes with the highest attendance/punctuality receive a small reward of additional play time in both Key Stage 1 and Key Stage 2. Attendance data is published termly in the school newsletter and the newsletter is used to highlight the importance of good attendance and punctuality. It regularly includes sections reminding parents of our school attendance target and what that means in terms of the number of days absent. It also includes information about any initiatives, which the school is using, to promote attendance and punctuality.

Staff Promoting Good Attendance: It is important that teachers are regularly promoting good attendance with their classes. Good class attendance is attributed to good teaching and this is celebrated.

Parent/teacher consultation evenings: This provides an opportunity for teachers to praise and recognise excellent attendance or share attendance concerns and discuss barriers to good attendance. Where necessary a target for improving attendance is set. The class teacher then monitors this. If there is no improvement in attendance/punctuality, the pupil is referred to the Attendance Team.

Improved attendance will also be rewarded by automated emails being sent to parents of individual pupils whose attendance has improved over a term.

The Senior Attendance Champion, alongside the Headteacher will make a termly report to the school's governing body on attendance matters.

The safeguarding team will liaise with other services and agencies when this may serve to support and assist pupils who are experiencing attendance difficulties.

The safeguarding team will have regular meetings in order to identify how best to support those pupils who are experiencing attendance difficulties.

15 | Support for School Attendance

15.1 Communicating with parents/carers where attendance is a concern

When the school has concerns about the attendance of a pupil, staff will do their best to make the parents/carers aware of the concerns about their child's attendance in the most accessible way possible, communications will be provided in accessible formats and can be offered in different languages if requested.

15.2 Pupils who are reluctant to attend

- Sometimes pupils can be reluctant to attend. The school encourages parents/carers and pupils to be open and honest about the reason for the pupil's absence. If a child is reluctant to attend, it is never better to cover up their absence or for a parent/carer to give in to pressure to let the child stay at home. This can give the impression to the child that attendance does not matter and can make things worse. The school needs to understand the reasons why a pupil is reluctant to attend, in order to be able to support pupils and parents/carers in the best way.
- The school's aim is to work in partnership with parents and carers to remove barriers to good school attendance. Staff strive to establish good working relationships with the families of our pupils through good communication and regular meetings to address on-going attendance concerns. If necessary, staff signpost our families to specialist support services who can work with the family and school in a multi-agency

approach.

- Where non-attendance is linked to anxiety or mental health, refer to **Mental health issues affecting a pupil's attendance: guidance for schools**

15.3 Child on Child Abuse

- All pupils have an absolute right to be educated in a safe and secure environment and to be protected from others who may wish to harm, degrade or abuse them physically, verbally, and emotionally both in person and online. There is no justification whatsoever for bullying behaviour and it should not be tolerated in any form. Differences including race, religion, gender, sexual orientation and ability are absolutely repudiated as reasons for bullying.
- The school recognises that a pupil may be reluctant to attend if they are experiencing any kind of child on child abuse. The school constantly strives to promote a positive and inclusive culture where all pupils feel valued, have a strong sense of 'belonging' and are fully supported if things go wrong.
- The school takes all reports of child on child abuse extremely seriously. All incidents will be investigated, appropriate measures will be taken for all pupils involved, including working with and making referrals to external agencies where appropriate.
- The school recognises that child on child abuse is a rarely-witnessed event, and that the most likely source of information will be through hearsay (either direct from the victim, or indirectly through witnesses or parents).
- If a parent/carer thinks their child is experiencing child on child abuse, or is concerned their child may be involved in peer on peer abuse in any way, they are encouraged to report this to the school as quickly as possible, so that appropriate measures can be taken.
- Please see the school's Behaviour and Relationships Policy and Safeguarding and Child Protection Policy for more information on how peer on peer abuse is addressed.

15.4 Children in Care

- Foster Carers do not have parental responsibility for the children in their care, although they are responsible for ensuring their regular school attendance.
- If a Child in Care is not attending the school, or there are concerns about their attendance, the school will seek advice from the Local Authority's Virtual School and the child's social worker, as well as communicating with the pupil and foster carer.

15.5 Disability Related Absence

- The school will ensure 'reasonable adjustments' are made for disabled pupils (defined as those with a 'physical or mental impairment which has a substantial and long-term adverse effect on that person's ability to carry out normal day to day activities'). This may include changes to the physical environment, curriculum or the way information is provided, as well as providing auxiliary aids and equipment, or tailored services.
- The school recognises that some disabled pupils may need additional support to attend regularly and that, for some pupils, they may have more absence due to their disability, for example due to attending medical appointments. The school will ensure disabled pupils are not penalised for absence related to their disability and will support the pupil and family to access support from external agencies where appropriate.
- The school will follow the guidance as laid out in **Arranging education for children who cannot attend school because of health needs**

15.6 Young Carers

The school recognises that pupils who are Young Carers may have caring responsibilities that impact on their punctuality and/or attendance. Where this is the case the school will work with the pupil and family to

encourage them to access appropriate support, including direct support from Young Carers and any other support the pupil and family may need; the school will also provide support in school where appropriate.

15.7 Parents who live separately

Where appropriate, the school will involve all parents/carers in order to ensure each are aware of their child's attendance pattern and are able to support the child's attendance to improve. Where a child lives with different parents/carers on different days the school will take this into consideration when working with the parents/carers.

15.8 Complex Family Circumstances

- The school will not usually request legal sanctions from the Local Authority in cases where poor attendance is symptomatic of complex family circumstances. In such circumstances the school will take a holistic approach to the issue and involve other agencies as necessary. The exception to this will be where parents/carers fail to accept or engage with support offered by the school and/or other agencies, or fail to implement the suggested changes. When referring for legal sanctions, the school will show that the parent/carer has been warned they are at risk of receiving a Penalty Notice or other legal sanction.
- If the school has safeguarding concerns about a pupil who is absent, staff will share information with other agencies as deemed necessary.

15.9 Formal non-attendance process

Where there are continued concerns about a pupil's attendance which are not resolved informally, parents/carers may be asked to meet with the school to discuss the matter more formally. In some cases, this may result in a formal action plan being produced. The school may also invite other involved professionals, where relevant.

16 | Leave of Absence – leave requests and sanctions for unauthorised absence

16.1 The law does not grant parents/carers the automatic right to take their child out of school during term time for holidays or other absence such as trips and visits.

16.2 The school will not authorise any leave of absence in term-time unless satisfied the reason for absence complies with section 37 of **Working together to improve school attendance**. The school will consider each application individually.

16.3 Parents/carers are asked not to make plans to take their child out of school without making a request to the school first. The request should be made by the parent/carer with whom the child normally lives.

16.4 Parents/carers wishing to request leave for their child should complete a Leave of Absence Request form which is available from the school. The request should be submitted as soon as it is anticipated; and, wherever possible, at least four weeks before the absence.

16.5 Parents may be required to provide the school with additional evidence in order to support a leave of absence request.

16.6 The school will consider the individual facts and circumstances of the case - following consultation with other staff as required, including the Designated Safeguarding Lead (DSL).

16.7 A leave of absence is granted entirely at the school's discretion (see section 37 of **Working together to improve school attendance**).

16.8 The absence should be for the shortest time possible – if an absence is agreed, the Headteacher will decide how many days of absence will be authorised. If the pupil is absent for more days than were authorised by the school, the remaining days absent will be recorded as unauthorised absence.

16.9 Any holidays and other absence such as trips and visits which have not been agreed by the school will be recorded as unauthorised.

16.10 Parents/carers should be aware unauthorised absence may result in a Penalty Notice or Prosecution. See 'Unauthorised Absence' section for more information.

16.11 If the school has any concerns about possible safeguarding risks, staff will follow the necessary protocols. (See the school's Safeguarding Policy for more information.)

17 | Unauthorised Absence

17.1 Unauthorised absence is where the school is not satisfied with the reason given for the absence, or where no reason has been provided.

17.2 Unauthorised absences may result in Legal Sanctions, usually Penalty Notices or Prosecutions. See 'Penalty Notices and Prosecutions' section for more information.

17.3 Unauthorised absence includes (but is not limited to) absences due to:

- Reasons which have never been properly explained to the school
- Arriving at the school after the register has closed. (Although late arrival for a reason such as a medical appointment will usually be an authorised absence – see 'Medical / Dental Appointments' section for more information.)
- Shopping
- Having a hair-cut
- Birthdays
- Waiting at home for something to be fixed, or a parcel to be delivered
- Parent/carer's or sibling's illness (unless very exceptional circumstances apply and have been agreed in writing by the school)
- Day trips
- Holidays in term time (unless exceptional circumstances are agreed in writing, in advance, by the school – see 'Leave of Absence' section).

17.4 Where the school has cause for concern about the actual reason for a pupil's absence, staff may seek additional information or evidence from parents/carers regarding the absence, and/or make a home visit in order to verify the reason. If the reason cannot be verified and the school has cause to believe the reason given for absence may not be genuine, parents/carers may be asked to provide satisfactory proof of the reason before the school authorises the absence. If satisfactory proof is not provided, the school may record the absence as unauthorised.

18 | Penalty Notices and Prosecutions

18.1 Under section 444 of the Education Act 1996, if a child of compulsory school age, who is a registered pupil at a school, fails to attend regularly at the school, his/her parent(s) are guilty of an offence. This applies to both

resident and non-resident parents who may both be subject to legal sanctions if their child fails to attend school regularly. It also applies to others who may not be the parent but may have day to day care of the child. If an absence is not authorised by the school, the pupil's attendance is deemed to be irregular.

18.2 Penalty Notices and prosecution proceedings are issued to each parent/carer with responsibility for the child and are issued for each child with unauthorised absence. For example, in the case of Penalty Notices, if two siblings have unauthorised absence, and there are two parents/carers with responsibility for the children, four Penalty Notices would be issued.

18.3 The school will refer cases of unauthorised absence that meet the threshold for a Penalty Notice to the Local Authority for legal action, unless there are reasonable grounds for not doing so. This will include unauthorised absence due to term time holiday or other trips/visits, and other types of unauthorised absence. When referring for legal sanctions, the school will show that the parent/carer has been warned they are at risk of a Penalty Notice or other legal sanction. The outcome of a referral to the Local Authority may be a Penalty Notice or Prosecution.

18.4 Information pertaining to the new national framework which sets out when schools will have to consider issuing penalty notices and relevant fines can be found in **The Education (Penalty Notice) Regulations 2024**

19 | Mental Health, Wellbeing, Special Educational Needs and Disability

Under the Equality Act 2010, schools are required to make 'reasonable adjustments' for disabled pupils (defined as those with a 'physical or mental impairment which has a substantial and long-term adverse effect on that person's ability to carry out normal day to day activities.' Some specified medical conditions, HIV, multiple sclerosis and cancer are all considered as disabilities, regardless of their effect.) This may include changes to the physical environment, curriculum or the way information is provided, as well as providing auxiliary aids and equipment, or tailored services. Failure to make appropriate adjustments may impact on a pupil's attendance.

Need	Action	Contact information
Mental health and wellbeing	Parents/carers who have concerns about their child's mental health and wellbeing can contact the school's Designated Safeguarding Lead (DSL)	Phone or email DSL safeguarding@lancotschool.co.uk
Identified special educational needs or disability	Parents/carers are encouraged to contact the school's Special Educational Needs Co-ordinator (SENCO) should they have any concerns about their child. Any pupils with SEND should have attendance issues considered as part of their individual support plans or Education Health and Care Plans; attendance should be part of any subsequent reviews.	Phone or email SENCO senco@lancotschool.co.uk
Unidentified SEND	Parents/carers who think their child may have unidentified special educational needs are also encouraged to contact the school's SENCO.	Phone or email SENCO senco@lancotschool.co.uk
Urgent health concerns	Parents/carers should contact their GP or the NHS Helpline by phoning telephone number 111 for advice if they are concerned about their child's mental or physical health and wellbeing. In case of emergency parents/carers should dial 999.	Phone GP/111/999

	After seeking emergency advice and support, parents should also let the school know as soon as is practicable.	
Health needs impacting on attendance	If a pupil is frequently absent from the school due to particular health need/s the school may ask to meet with parents/carers (and other professionals where appropriate) to draw up an Individual Healthcare Plan to support the pupil's attendance. See the school's Supporting Pupils with Medical Conditions Policy for more information. [Insert link]. Also see **DfE guidance** **Supporting pupils at school with medical conditions - December 2015** and **Mental health issues affecting a pupil's attendance** for more information.	Phone or email DSL safeguarding@lancotschool.co.uk

20 | Phased Return to Full-Time Education

20.1 In line with the expectations of the Department for Education, all pupils of compulsory school age are entitled to a full-time education, suitable to their age, ability and aptitude, and any special educational needs or disabilities that they may have.

20.2 In very exceptional circumstances there may be a need for a temporary reduced timetable to meet a pupil's individual needs. For example, where a medical condition prevents a pupil from attending full-time education and a reduced timetable is considered as part of a re-integration package. **A reduced timetable should not be used to manage a pupil's behaviour.**

20.3 If, for any reason, the school is unable to provide a pupil with a full-time education due to the pupil's needs, staff will work with the pupil, parents/carers and other agencies where appropriate, to come to an arrangement that is deemed to be in the best interests of the child wherever possible.

20.4 Any reduced timetable should be in place for the shortest amount of time possible, it must not be treated as a long-term solution. It should be reviewed at least every two weeks, whilst arrangements are made to support the pupil's return to full-time education at the school or, where appropriate, at alternative provision.

20.5 A decision to place a pupil on a reduced timetable should be approved by the Headteacher and must be agreed by the parents/carers. The SENCO and DSL, as well as any other relevant members of staff, should also be aware of such arrangements and involved with decision making where appropriate. Discussions and agreements should be clearly documented in writing and relevant information should be recorded in the Management Information System (e.g. SIMS) and CPOMS. The school will be mindful of any additional safeguarding risks to the pupil when they are not timetabled to attend school and will therefore consider carefully whether a reduced timetable is an appropriate measure.

20.6 If the pupil's reduced timetable means the pupil is expected to arrive at the school after the register closes in the morning and/or be absent for the school's afternoon registration period, any such am and/or pm registrations must be recorded with the **C2** code: 'Leave of absence authorised by the school'.

21 | Approved Educational Activity (AEA)

21.1 When pupils are attending educational activities off the school site that have been approved by the school, the register will be marked to show this is the case. (See **Working together to improve school**

attendance for more information.)

21.2 Approved Sporting Activity

If a pupil is participating in a supervised sporting activity off the school site, which is of an educational nature, approved by the school and supervised by someone authorised by the Headteacher, such activity should be marked using the **P** code: 'Approved Sporting Activity'.

21.3 Alternative Education Provision

- Attendance staff in the school will be notified of Alternative Provision (AP) arrangements and updated about any changes in arrangements, so they can ensure the school's registers are marked accordingly. Attendance staff and other relevant colleagues will communicate closely with the AP setting.
- The school will follow up with pupils and parents/carers on any attendance concerns, in conjunction with the AP.
- If a pupil is only being offered part-time AP, the school will ensure the pupil is offered additional educational provision, which together with the AP equates to a full timetable, unless there are exceptional reasons why not. Pupils will only be offered part-time educational provision for the shortest time possible and this will be regularly reviewed with the pupil and parents/carers with the aim of the pupil accessing full-time education as quickly as possible.

21.4 Alternative Education Provision: Dual Registration and use of the D code

- If a pupil from the school is attending another state-funded DfE registered school, Pupil Referral Unit or Alternative Provision School, for part or all of their education, the pupil will be dual registered at this school (Dual - Main) and the other setting (Dual - Subsidiary).
- If a pupil is attending an AP which is not a state-funded DfE registered school, Pupil Referral Unit, or Alternative Provision School, the pupil cannot be dual-registered; examples are Impact Mentoring and Education 1st. See 'Off-site educational activity (**B** code)' section, for more information.
- When a pupil from the school is dual registered with another setting, the school will ensure the pupil and parents/carers are clear about the pupil's timetable; i.e. when the pupil is expected to attend the school or the other setting, and what the arrangements are for register marking, including the use of the **D** code. The school will also be clear which setting will be following up any absences. Where pupils are dual-registered, the AP should provide the school with attendance updates weekly, unless otherwise agreed with the alternative setting. However, if attendance and/or safeguarding concerns are identified at any point, the AP is expected to raise these with the school immediately and a course of action will be agreed in writing between the school and the AP.
- A dual registered pupil must not be removed from either setting's roll without the agreement of the other setting.

21.5 Alternative Education Provision: Off-site direction/educational activity (K and B codes)

- Where the AP placement has been arranged by the Local Authority, rather than the school themselves, **K** code should be used (see table below).
- If a pupil is attending an AP setting that has been arranged by the school (and the pupil is not dual registered), **B** code should be used.
- The school will mark any sessions attended at the off-site provision with the relevant present code, and any absences with the relevant absent code. Such APs should provide attendance updates daily, unless otherwise agreed, so the school can mark the register accordingly.
- Some AP settings are registered as Independent Schools and, as such, are able to offer full-time provision where required. However, some AP settings are not registered schools and are therefore only legally allowed to offer part-time education to pupils.
- Unless otherwise agreed with the AP, the AP is expected to notify the school by 9:15 am on the morning of any individual pupil absences, to ensure the school is made aware of any attendance concerns as soon as

possible and takes follow up action as necessary.

- If attendance and/or safeguarding concerns are identified at any point, the AP is expected to raise these with the school immediately and a course of action will be agreed in writing between the school and the AP.

21.6 Managed Moves

- Any pupil on a Managed Move (MM) must be dual registered at their main school (the 'sending school') and their subsidiary school (the 'receiving school').
- If a pupil from this school is attending another school on a MM, the pupil will be dual registered at the other school. This school will mark the pupil with the registration code **D** during the time they are expected to attend the other school. The school the pupil is attending for the MM trial (the receiving school) will mark the pupil present or absent, according to their attendance pattern. The receiving school will be expected to follow up any pupil absences in the same way they would for their other pupils, in conjunction with this school where appropriate. They will also communicate the pupil's attendance with this school on a regular basis, in line with the MM review process.
- If a pupil from another school is attending this school on a MM, the pupil will be dual registered at this school. This school will mark the pupil present or absent, according to their attendance pattern, whilst the sending school will mark them with the registration code **D**. This school will follow up any absences in the same way as for all other school pupils, in conjunction with the other school where appropriate. This school will also communicate the pupil's attendance to the sending school on a regular basis, in line with the MM review process.
- At the end of the agreed MM period (or sooner in some circumstances) a decision will be made as to whether the MM will be made permanent or not. At this stage the pupil will either: **(a)** go permanently on the roll of the receiving (subsidiary) school – single registration (in which case the pupil will come off roll at the 'main' school); or **(b)** be expected to return to the main school (in which case the pupil will come off roll at the 'subsidiary' school).
- A Dual Registered pupil must not be removed from either school's roll without the agreement of the other school

22 | Unable to attend due to exceptional circumstances (as set out in DfE guidance)

In accordance with the **Working together to improve school attendance** the school will record pupils as code **Y** (specific codes available according to circumstances) 'Unable to attend due to exceptional circumstances' in the following circumstances (such circumstances are not recorded as absences):

- The school site, or part of it, is closed due to an unavoidable cause
- The transport provided by the school or the Local Authority is not available and the pupil's home is not within statutory walking distance. (See the DfE's '**Home to school travel and transport**' guidance document or ask the school for a printed copy.)
- A local or national emergency has resulted in widespread disruption to travel which has prevented the pupil from attending the school.
- The pupil is in custody, but still on the school's roll. (If the school has evidence that the pupil is attending educational activities, those sessions can be as 'present at approved educational activity').

23 | Children Missing Education (CME) and removing pupils from roll

- All children living in Central Bedfordshire aged between 5 and 16 years old must be in full-time education. Children missing education refers to all children of compulsory age who are neither on a school roll nor being educated otherwise and who have been out of any educational provision for a substantial period of time.

- Central Bedfordshire are committed to ensuring that all children receive a quality education and the council guarantees a robust response to any information received about a child who is thought to be missing from education.
- Any concerns that a child may be missing education, must be referred to the Access and Inclusion Service or by calling 0300 300 6479/0300 300 6220. A referral can also be completed via the Schools Portal. On notification, the allocated officer will undertake all relevant enquiries; contact the family and young person in order to support them to re-engage with education.
- If the school believes that there is a child missing from education, they will complete a Child Missing from Education (CME) form.
- If the school has any reasonable concern that a child or young person has suffered significant harm or maybe at immediate or acute risk of suffering significant harm, a referral will be made to Children's Social Care by calling 0300 300 8585.

24 | Reporting to Parents/Carers

The school will include each pupil's attendance information in their interim and end of year report each year and provide parents/ carers with a copy of their attendance summary for the year in Term 6. If parents/carers wish to see a copy of their child's attendance summary at any other time during the year, they can ask for a printed copy at the school office.

Where a pupil's attendance drops below 97%, school will notify parents/carers to highlight this, unless there is a good reason not to.

25 | Recording Information on Attendance and Reasons for Absence

25.1 All absences are recorded in the school's attendance register in the Management Information System, BromCom. Information about the reason for the absence, how it was reported and by whom, and any additional information pertinent to the absence may also be recorded.

26 | Policy Monitoring Arrangements

26.1 This policy will be reviewed annually by the Attendance Lead, or more frequently if there are changes to legislation and guidance. At every review, the policy will be shared with the LGB.
