### **Bike to School week**

Dear Parent/Guardian,

Throughout this year, Lancot Challenger Academy will be taking part in several activities to help promote active travel to and from school.

To kick start active travel at our school we will be taking part in 'Bike to School' week on 28<sup>th</sup> September to 2<sup>nd</sup> October. Pupils, parents and staff can come to school on their bikes or scooters to promote the positive impact that an active lifestyle can have on wellbeing and health.

On Thursday 1<sup>st</sup> October, we will be holding a '**Bling your Bike or Scooter**' competition. Children can decorate their bike or scooter at home in the most imaginative way and bring it to school to win prizes.

There will be a designated area for your child's class on the field to leave their bike or scooter. Please ensure your bike or scooter is in enough space not to come in to contact with others.

Make memories, enjoy the fresh air and have fun this Bike to School week. And better yet, when you share your photos with Sustrans (the UK walking and cycling charity) you could win a brand new Apollo kids bike from Halfords.

#### **How to enter**

It's really easy to enter. All you need to do is:

- During Bike to School Week, take a short video or post a photo and message saying why you love to or would like to cycle to school
- Follow and tag @Sustrans on Facebook, Twitter or Instagram
- Share your entry with #SustransWin.

**The competition closes at 9 am on Monday 5 October 2020.**

Don't forget to share your pictures on Lancot Challenger Academy's social media!

Thank you for your support in helping us become an active travel school.

Yours sincerely,  
Mr Dockerill
