

Lancot Challenger Academy

Job Title: Maths Leader

Vacancy: All Year

Positions Available: 6 pupils from 5 & 6

**Lancot
Academy**

Job Description:

I am looking for some dedicated, determined and committed Maths Leaders. You must be hardworking and organised as you will have to run your own maths projects across the school. It is essential that you are confident with all mental maths objectives up to Year 4 because you will be quizzing other children and will need to check their answers in order to help them if they are stuck. Buddy systems will also be set up so that you can support other children in younger years, so you must be patient, give clear explanations and be enthusiastic to inspire the children. You need to make sure that you are confident when speaking in front of large audiences as you will be awarding certificates in assembly and you will need a loud, clear voice. You will need to make sure you are available to work on a Tuesday lunchtime and before school on a Friday. It is essential that you are punctual as many children will be relying on you to be there so that they can quiz.

Salary: Weekly attribute stickers for all 4 areas will be awarded depending on that week's tasks.

Personal Specification:

- A good role model
- Helpful
- Organised
- Punctual
- Patient
- Clear and systematic
- Visible passion for Mathematics

Application Open: 13th September 2021

Application Deadline: 20th September 2021

Interviews: Week Commencing 27th September 2021

Start Date: 5th October 2021
