Apologies

Claire, Jenny, Donna & Alison

Snack shack— two quotes £600 & £700. Men in sheds have said it could be possible to convert a shed we purchase to make a serving hatch. Agreed that this will be put on back burner until outdoor equipment agreed

Outdoor play equipment—New assessment being carried out tomorrow. It has been agreed that if the quote is under 4K then we are to go ahead with getting equipment up and running ASAP.

Circus—

I have been called for Jury Service starting 23rd April, there is a possibility I may not be around to help set up now. (I am gutted about this). We will need helpers on the day to set up tables and bbq.

We also need volunteers to help from 4 pm

We need cover for two BBQs, 2/3 face painters, 2 x face glitter and 2 tattoos & 3x helpers for refreshments.

We also need 2 people to take tickets on entrance.

All litter needs picking and tables etc. to be put away after the even, the more people we have to help do this the better.

Need for everyone to push ticket sales. Sue V to ask Sarah L to print off some more small fliers, these need to go out to Schools, scouts, brownies, shops, dance groups, swimming groups. We need to sell a minimum of 130 more tickets to break even. This is doable if we all pull together Warehouse for Sarah to look into Wholesales.. I've looked into and signed up, will arrange a visit to look at merchandise to sell.

Table at parents evening.

Tash and Frances have agree to do a table at parents evening to sell tickets for circus.

CBC grant. It was agreed to ask Emma to go forward with the application for the grant for a reading cabin/shed for outside use.

As we are now a registered Charites there is lots of opportunities for us to gain donations/grants etc. can everyone look into this before the next meeting and get lists together so that they can be distributed to be actioned.

Examples---Coop, Amazon charity.

Think this was all.
